CODE BOOK

The 2020 Minnesota Residential Code is a custom code book published for Minnesota by the International Code Council (ICC). It includes Minnesota's amendments into the body of changed sections and reads as a unified code book. It also includes Minnesota chapters about Administration, Radon and Energy. There is no longer a need to separately purchase the ICC model code and Minnesota amendments and refer to them both. Now they are contained in a single reformatted Minnesota-specific code book.

The Minnesota Residential Code is available for free online viewing or can be purchased in soft-cover format (English and Spanish versions).
